

I02 WELL ACCREDITED PROFESSIONAL (WELL AP) | O (MAX : 1 PT)

Intent : To recognize projects that engage a WELL AP to support the WELL certification process.

Summary : The WELL Accredited Professional (WELL AP) credential denotes expertise in WELL and a commitment to advancing human health and well-being in buildings and communities. The presence of a WELL AP on a project team can benefit project planning and achievement efforts by streamlining the WELL application and certification process.

PART 1 ACHIEVE WELL AP (MAX : 1 PT)

For All Spaces:

At least one member of the project team:

- a. Has achieved the WELL Accredited Professional credential.
- b. Maintains accreditation until the project's initial certification is achieved.
